

Dear Community Partner

Thank you for helping make Northern BC a place where diverse voices, stories, and communities can thrive.

We are proud to announce the premiere of **North of Queer**, a documentary following three queer individuals in Northern BC, exploring their experiences of identity, community, belonging, and life in the North.

This will be the **first-ever public screening** of North of Queer, and we are creating a special, red carpet, black tie evening to celebrate this important milestone.

We are seeking financial contributions, donations, and in-kind sponsorships to help make this special one-time event possible.

By sponsoring North of Queer, you are helping bring Northern queer stories to the screen, supporting local storytelling and queer representation, demonstrating your commitment to building a more inclusive and connected community.

If you would like to be further involved in supporting this event, please see our Sponsorship Package for sponsorship opportunities. All contributions are welcome, and we are happy to work with sponsors to create a partnership that fits their organization.

Thank you very much for your time, consideration, and support of Northern queer voices and stories.
